

## *So You Want to Sing Spirituals*

### **Appendix 3 – Spirituals in Musical Anthologies**

**By Randye Jones**

*Although Bach's cantatas are now performed in concert, they were written for the church and should be viewed in that context. By the same token, Afro-American religious music before the Civil War reflects the hopes, desires, and dreams of the slaves. The music after the war expresses something else and therefore, even when examining the music of this particular cultural tradition, we must be alert to the manners by which two manifestations might differ socially... I offer these points in partial reply to my question, indicating that Afro-American music is distinct and must be treated in this manner.<sup>1</sup>*

#### **AVAILABILITY OF SPIRITUAL MUSIC SCORES**

For all too many years, it was extremely difficult to acquire published vocal scores of spirituals. Few music stores or libraries carried in-print spirituals in their collections. A handful of older vocal scores, such as H. T. Burleigh's *The Spirituals of Harry T. Burleigh*, have remained in publication, but most had disappeared from the shelves as they went out-of-print. For the most part, singers and teachers who were determined to study or perform spirituals had to rely on an underground network that disseminated fifth- or sixth-generation photocopies of out-of-print sheet music or the rare composer's manuscript.

Fortunately, a renewed interest in spirituals has also spurred the emergence of a variety of sources for acquiring the musical scores:

#### **Print Publishers**

Spirituals by contemporary and historical composers, for example, the Vivian Taylor compilation, *Art Songs and Spirituals by African-American Women Composers* (Hildegard Publishing), and *The Hall Johnson Collection: Over 50 Classic Favorites for Voice and Piano Including Two Performance CDs* (Carl Fischer), Hall Johnson's spirituals, have been re-issued into new collections. Independent publishers, such as Classical Vocal Reprints, focus on reprinting spirituals, as well as other music, that has entered the public domain.

GIA Publications (spirituals search) -

<https://www.giamusic.com/store/search?elSearchTerm=spirituals>

#### **Online Databases and Publishers**

The Internet has also come to the rescue. Online databases, such as archive.org and IMSLP, are providing a growing collection of digitally scanned scores for free or minimal cost. Commercial services, including Sheet Music Plus, are now offering contemporary and historical musical scores for purchase in digital or paper formats. Publishers also sell scores online. Particularly noteworthy is the site produced by J. W. Pepper, which lists spirituals as sortable digital and print musical scores and as audio files they and other houses have published.

Archive.org - <https://archive.org/search.php?query=negro%20spirituals>

IMSLP (spirituals search) - <http://imslp.org/wiki/Category:Spirituals>

Sheet Music Plus (spirituals search) -

<http://www.sheetmusicplus.com/search/instruments/vocal/900120?Ntt=negro+spirituals>

### **Self-Publishing Composers**

In recent years, composers, their families or other representatives have created the means to offer their musical scores through direct purchase. For up-and-coming composers, self-publishing, especially online under their own domains, has provided a fairly inexpensive means for potential customers and/or publishers to discover their work. Some established composers or their families have opted to self-publish in order to maintain editorial and distribution control over those works. A few of these composers are:

Moses Hogan - <https://www.singers.com/arrangers/Moses-Hogan/>

Jacksonian Press (Betty Jackson King) - <http://www.mcssl.com/store/jacksonian-press-inc>

Roy Jennings - <https://www.roy-jennings.com/>

Mar-Vel Music (Roland Carter) - <http://rolandcarter.com/RolandMarvinCarter-MAR-VEL.htm>

Shawn Okpebholo - [www.shawnokpebholo.com/](http://www.shawnokpebholo.com/)

David Ragland - <http://www.daveragland.com/>

Damien Sneed - <http://www.damiensneed.com/>

William Grant Still Music - <http://www.williamgrantstillmusic.com/>

### **Online Resellers**

Last, but certainly not least, online resellers have opened up the opportunity for those who wish to sell and/or buy personal copies of out-of-print or newly published scores. How many private collections have benefited from services like Amazon.com and eBay is impossible to quantify.

### **SELECTED MUSICAL SCORES**

Below is a selected list of musical score compilations containing concert spirituals for solo voice. Only the spirituals contained in the compilations are listed--with composer and accompanying recording note where applicable.

Albritton, Andy M. *Great Spirituals: An Anthology or Program for Solo Voice and Piano for Concert and Worship*. Van Nuys, CA: Alfred Publ., 2007. (med-high/med-low voice eds., optional accompaniment CD)
